

CDPHP® is more than just a top-quality New York health plan; we're also your neighbor. That's why we've made it our responsibility to promote health, vibrancy, and education in the communities we serve. We're proud to support the Pine Hollow Arboretum, which provides a natural environment for visitors to relax, explore, and stay healthy.

The Pine Hollow Arboretum

34 Pine Hollow Road 🌿 Slingerlands, NY 12159
