

# Streamline care with integrated medical and dental coverage

## Simplify benefits for you and your employees

CDPHP has teamed up with Delta Dental, giving your employees easier access to dental care and helping you save time.

### Benefits to you

- **Same great rates:** No need to shop around! Enroll through CDPHP and get the same competitive rates you'd receive directly from Delta Dental, plus more!
- **Simplified offering:** Present one, combined dental and medical benefit to employees.
- **Time saved:** Fewer systems to deal with, reconciliations to handle, vendors to manage, and less back and forth between carriers.
- **Seamless Integration:** Enjoy simple, consolidated billing and easy eligibility file management.

### Benefits to your employees

When you partner with the team that has 70+ years of experience specializing in dental health, your employees get a better experience.

- **Preventive care covered:** Cleanings, exams and X-rays.
- **Nation's largest proprietary dental network:** With the largest proprietary network in the country, your employees can get high-quality care without sacrificing convenience.
- **Ease of use:** Online tools let members manage their account, find a dentist and access their ID card all with a few clicks.
- **Enhanced coverage for chronic conditions:** Delta Dental's PPO plan offers the option to add **SmileWay® Wellness Benefits** for an additional cost, based on an experience-rated quote from Delta Dental. This benefit provides employees diagnosed with any of 14 chronic health conditions affecting oral health with up to five cleanings per year, covered at 100%.
