

Expert care without the wait

Dermatology that delivers when you need it most.

From suspicious spots and rashes to cold sores and fungal infections, CDPHP® has partnered with MD Live® board-certified dermatologists to deliver reliable care for new or ongoing skin, hair, and nail conditions.

Simply describe your condition and upload a few photos to your MD Live account. You'll receive a diagnosis and customized treatment plan from your dermatologist, usually in 24 hours or less.¹

Why MD Live Dermatology?

No appointments required. Tell us about your condition and upload a few photos.

No long waits. Waiting to see an in-office dermatologist can take days, weeks, or even months.

Dermatologists can send prescriptions, when necessary, right to your preferred pharmacy.

93% of patients have their issues resolved on the first consultation.²

Contact your dermatologist for up to 30 days after your appointment if you have questions or comments – at no additional cost.
