

Healthcare decisions made simple

Our search tool helps members quickly estimate medical costs and connect with local and national providers using a desktop or mobile device. Plus, results are personalized to their plan and coverage when they log in to their online account.

Everything employees need in a single online tool

Find a doctor

Search doctors, specialists, urgent care, hospitals, and more in our local and national networks

Filter results by specialty, languages spoken, if accepting new patients, provider tier, and more

See side-by-side comparisons and create a PDF of results to save, share, or print

Estimate costs

Log in for average estimated out-of-pocket medical costs based on year-to-date spending and deductible

Research estimated medical costs across more than 1,600 treatment categories and 400+ procedures

Filter results by cost, treatments provided, location, and more

Access treatment timelines to understand the entire process, stages of care, and cost breakdowns

A new level of transparency and control is here. **Learn more at cdphp.com/find-a-doctor.**
