

Find doctors. Compare costs. Connect with confidence.

Our online search tool lets you estimate medical costs and find providers in your neighborhood and across the country.

Everything you need in one spot

Find a doctor who fits all your needs

Find doctors, specialists, urgent care, hospitals, and more in your plan's network*

Filter results by specialty, languages spoken, board certifications, offering virtual care, and more

See a side-by-side comparison of providers and map directions to their practice

Cost estimates to help you budget

Get estimated out-of-pocket medical costs based on your year-to-date spending and deductible

Research estimated medical costs across more than 1,600 treatment categories and 400+ procedures

Sort results by cost, location, or doctor name, and filter by specialties, areas of focus, and more

View treatment plans, cost estimates, timelines, and in-network provider options for surgeries and ongoing health needs

Get started at cdphp.com/find-a-doctor.

Are you a caregiver?

Get medical cost estimates for the member you're caring for by creating a representative or designee account.

*Members who have a MAGNACARE or First Health logo on the back of their ID card have access to national network options. Network coverage may vary based on your plan. Estimate Medical Costs tool may not be available to all plans.
